

Conduct Outcomes-based Moderation

Based on SAQA's Unit Standard 115759, NQF Level 6, 10 Credits

Introduction

This practical course will equip learners with the required knowledge and skills to conduct moderation of outcomes-based assessment. The Moderator training course will further your understanding of the National Qualifications Framework (NQF) and will help you in developing your skills and acquiring a variety of qualifications within the fields of Education Training and Development Practices and Human Resource Development.

It is the responsibility of the Moderator to moderate assessment according to relevant outcome statements and quality assurance requirements. The responsibility of the Moderator is significant and they need to meet a high standard of criteria and have to be registered before they are allowed to moderate.

This course is ideal for anyone wanting to moderate candidates against unit standards and/or qualifications.

Course Objectives

After completing this course, learners will be able to:

- Plan and prepare for moderation
- Conduct moderation
- Advise and support assessors
- Report, record and administer moderation
- Review moderation systems and processes
